

## **Delegation of the Representatives from the Committee for Production, Trade and Environment of the Parliament of the Republic of Albania at the SAIF**

The State Agricultural Intervention Fund hosted the delegation of the Committee for Production, Trade and Environment of the Parliament of the Republic of Albania together with the representatives from the Embassy of the Republic of Albania in the Czech Republic on 29 May 2018.

The State Agricultural Intervention Fund was presented as the only Paying Agency of the Czech Republic with its activities, organizational structure and other specific characteristics. The direct payments scheme was the main topic of discussion. The session was concluded by prospects on mutual cooperation in the field of agriculture which could be made real via the EU pre-accession programmes for candidate states.
