

## Delegation of the Turkish Paying Agency TKDK visited SAIF.

From 28 to 29 June 2018, the delegation from the Office for Agriculture and Rural Development (TKDK) of Sanliurfa Province of the Republic of Turkey paid a visit to the State Agricultural Intervention Fund.

The delegates were especially interested in LPIS, Greening, RDP project measures and providing subsidies for the Czech young farmers.

On 29 June 2018, the TKDK representatives had a possibility to visit the agricultural enterprise Hoffmeister Court in Velké Čížovice and to assess how efficiently the subsidies within Rural Development Programme (support of agri-tourism) were utilised.

The study visit was very successful and beneficial for both the Turkish delegates and the representatives of the State Agricultural Intervention Fund.
